Shalom Pastor and Church:

October- December 2024

**We wish you a Merry Christmas, Happy Chanukah, and a Special New Year!**

Preaching on prophecy for Pastor Joel Winters' church at Chichester Baptist Church in PA was a joy. We have spoken there numerous times. They went with us to Israel/Greece years ago, and the church has faithfully supported our ministry for many years.

## Prayer Requests:

1. I am having trouble with my hip and have been going through physical therapy.
2. Continue prayers for salvation for Michael, our nephew.

While I do not make New Year's resolutions, I try to plan projects each year. Some years go well, and others...well, not so well. Please join me in prayer that we might be able to finish these critical lists.

## Projects for 2025

**Project 1**—Virtual Tour of Israel Zoom class (3rd Friday of the Month): We are excited to continue the Feasts of Israel series. In January 2025, we will demonstrate **Christ in Passover – YOU do not want to miss that!** We will cover all seven Feasts of Israel for 2025. If you want to join the Zoom class or wish to watch it on your own time, please email me your interest. We send out an MP4 recording of the class. There is no charge, nor will I ask for an offering. I am honored by your interest!

**Project 2**—Our teaching at Norris Bible Baptist Seminary continues in the second-semester classes on Practical Hebrew 101, Prophetic Books 2 (Ezekiel/Daniel), and the Book of Revelation. *It is a privilege to train future pastors, missionaries, and leaders!*

**Project 3**—This summer, I want to videotape our Eschatology and Book of Revelation classes to help Pastors and church members better understand these important Bible teachings. About 15 pastors have received and used our Revelation course notes in their churches. What a blessing, and I am honored by their interest.

**Project 4**—A student from NBBS (David Gomez, who was raised in Brazil) will help translate our VTI series into Portuguese. Dr. Don Leaf (a 43-year Retired Veteran Missionary to Brazil) will continue translating and overseeing Bro. Gomez's work. We have 47 files (with six finished). I am still praying that someone with Spanish skills will help as well. ***Any donations towards this project would be a blessing.***
