Shalom, Pastor and Church:

January - March 2025

## **January-March Virtual Tour of Israel - Christ is the Passover Feast Series**

just finished a six-part lesson. The first half of the series deals with the "First Passover" – Exodus 12 sets the background for the second half of the Passover Demonstration. We have one more part in April, as we will speak on the Prophetic Timing of the Passover Feast. This is the beginning of our series on the Seven Feasts of Israel (Leviticus 23), and our title is "God's Calendar of Redemption!" By the way, we have been teaching this virtual tour of Israel through Zoom for over 4 years now.

We are also excited that Retired Brazilian Missionary Dr. Don Leaf has completed translating the four-part Temple Mount series into Portuguese and will now begin work on the Passover Series, which we have just finished. It is our most requested series.

**Prayer Request:** We have been praying that someone will translate our material into Spanish for a while. If you know of someone, please let us know. I have a lead on an interested individual, so we shall see what the Lord does in that area. But I need two people so one can cross-check the other.

Under that same heading, the Israel Geography and Culture class we wrote and taught last semester is reaping dividends. One of my former students, who attended that class, is now a Youth Director. He told me how excited his students were to learn about the Bible by studying Israel's geography and culture, which we taught. The use of maps really adds more context to Bible teaching. We have seen other students incorporate maps or geography into their preaching.

## **Seeing many of my former students pastoring a church has been a blessing!**

Yes, I know they had other teachers and their pastors guiding them. However, to be used by the Lord to help lay a foundation in Jewish Evangelism, the Old Testament and the General Epistles. Then, add Eschatology and the Book of Revelation when they entered the class with little knowledge or understanding of these important biblical teachings...Wow, we have been blessed.

Please keep us in your prayers as we will be preaching at several Prophecy Conferences over the next few months, as well as at a Mission Conference. We would be honored to preach in your church, which works with us both. Please email me about your interest.

Thank you for holding the rope through prayers and support!
